Day 4

Universitat Politècnica de València

ETSID, [High School Engineering Design](#) (Building 7B, Camino de Vera, s/n)

9:00 Craft and design class - UPV.

- We will join **Prof. Raul Durá** class at ETSID. We will have the chance to have a talk with students. N05 classroom, B Floor ETSID
- We will do a ETSI Design tour. Special attention to **Models and Prototypes workshop**, similar to FabLab. N06 Lab.

10:30 COITICV room (1th Floor ETSID)

- **Welcome** from the ETSID Director **Prof. Juan Antonio Monsoriú, PhD.**
- **Workshop 'Our Way of Teaching'**.
 - **Tryavna College, UPV and FC** will prepare a short (30 minutes) class for the other partners to show their way of teaching. How are typical lessons in your educational institute structured? What is the way to teach? How do you address contents?
 - Evaluation from others:
 - o Do you realize they are differences / similarities?
 - o What have you seen in the other countries lessons that you can/want to implement in your own ones?
 - o Do you find out any possibilities to implement?

13:30 Transfer to Barrio Roca, Meliana (Lunch) [El Baret Roca](#)

[Fab Lab Valencia](#) (Carrer dels Botiguers, 5, 46120 Alboraya, Valencia)

15:00 **Visit to FabLab Oceano Naranja** (Alboraya)

16: 30-18: 00 (At FabLab) Session experts by area

- **Interactive workshop** (to be determined) led by Frank Hiddink.
- **IO4 – Platform**. Content of session to be determined

19:00 Transfer and opening) **Craft Center exhibition** (Centro de Artesanía Valencia, [Valencian Craft Center](#))

21:00 Dinner and tour around the Valencia city center. Dinner: [Bar Vermúdez](#)

Day 5

Centro de Artesanía de la Comunidad Valenciana
[Valencian Craft Center](#), Executive Room 2nd Floor

9:15 **Valencian Craft Center: Welcome** to General Director of Commerce of Valencian Government, by **Mr. Natxo Costa**

10:00 Valencian Craft Center:

- **Project management and short evaluation** on (EU and Regional) Cooperation led by **Erna van der Werff** and **Frank Kroondijk**.

- **Eileen Blackmore**, will share the results of her telephone **interviews with partners**. Aspects such as different perspectives, a different angles of approach, etc. Every stakeholder of the Alliance should have (as a result of the toolkit) insight in the interests of the other stakeholders. Eileen presents the outline of the toolkit.

- **Thematic field expert session**. The Thematic field experts in the **Craft Your Future** partnership (House of Design on the circular economy, Fablab Valencia on trends & new techniques and The Fabric on traditional crafts), will prepare a short presentation on the main themes of the project.

- Traditional crafts by **Marianna Nikolaeva** (10min)
- Circular Economy by **Eileen Blackmore** (10min)
- New techniques by **Do Sánchez** (10min)
- Students in the lead by **Frank Kroondijk** and **Erna van der Werff** (10min).

13:00 **Circular Business case: Upcyclick**, by **Mariola Marcet**.

13:30 Tasting of typical Valencian products.

15: 00-18: 00 Overall project progress and Conclusions:

- **Dissemination**: Logo. Planning of development of dissemination materials, by **Mariana Nikolaeva**

- **Lean Canvas**. What do you want to achieve with Craft your Future? What will be the impact in our regions? What are sustainable outcomes? Interactive session led by **Eileen Blackmore** in cooperation with **Frank Hiddink**.

- **Conclusions**
